

The background of the page is a solid red color. Overlaid on this background are faint, white line-art illustrations. On the right side, there is a large, stylized profile of a woman's face, likely representing a legal figure. On the left side, there is a smaller illustration of a person standing next to a set of scales of justice, symbolizing law and equity.

# COMPANY PROFILE

# About Us

## MISSION STATEMENT

The Mission of the DAVID K LAW GROUP is to provide high quality legal services while maintaining integrity, professionalism and respect for our clients and the community. In doing so we enjoy and strive for a collegial group practice while keeping in mind that our primary goal is to effectively serve our clients

## VISION STATEMENT

THE DAVID K LAW GROUP aspires to be successful and well known Zimbabwean law firm. Our law firm provides high quality unbeatable legal services, putting us in competition with other long established law firms. Our Success is driven by passion, ambition and innovation.

## CORE VALUES

**Integrity:** "Doing the right thing" is not just a common phrase for us, it is a primary guide for all our actions.

**Excellence:** We recognize that our clients must have total trust and confidence in us. We capitalize on our strengths and how to leverage them for our clients.

**Innovation:** We grow by developing and adapting to new tools and ideas to drive efficiencies for our clients.

## MINING & ENERGY LAW

Zimbabwe is fast becoming recognized for its mineral wealth. Investors from over the world and within the country are eager to contribute to the development of this sector of our economy. Our team has a wealth of experience in this practice area. Our mining law department is credited with having navigated many local and foreign corporations through the legal and regulatory aspects of this extractive industry and understands the changes that the industry has gone through as well as challenges it faces. We offer our clients innovative legal solutions that help them to stay competitive during the good times as well as the more challenging. We have successfully steered our clients through indigenisation compliance and continue to anchor their plans and processes with our sound knowledge.

Where multi-jurisdictional mining transactions are involved, we are sought after by various global firms as the local expert of choice as we equip our clients with the knowledge and assist in the facilitation of compliance with mandatory legislation generally (indigenisation, exchange control, investment licenses, competition laws and other and advise and assist with the protection of our client's mining rights. Our expertise is world renowned for being solid and reliable. We offer a one stop shop for your mining law needs. The depth of the firm in all areas of law allows our practitioners to draw upon other specialists in the firm where necessary, such as those who devote their practices to environmental or regulatory law or those experienced in dispute resolution. We make it our business to keep abreast of developments in the law and participate in industry seminars on an on-going basis. Our team advises and assists in obtaining and protecting the following: prospecting licenses, exclusive prospecting licenses, mining claims, mining leases, mining grants, mineral concessions and special mining leases.
